

ADVANCE NOTICE OF PESTICIDE TREATMENT

This notice is to be provided whenever a pesticide, other than a bait or gel formulation, is to be applied at this facility. The notice will be distributed using the methods identified in the annual Advisory to Parents.

Attention: Parents/Guardians of students attending this facility:

This facility utilizes an Integrated Pest Management approach for pest control, employing non-chemical methods that include sanitation and exclusion to control pests. However, from time to time a pesticide application may be necessary to control certain pests.

Please be advised that Makaze weed killer will be applied at Reynolds softball field and Speedzone and Drive weed control will be applied at Kosequat baseball field.

The anticipated date of treatment will be on Friday, September 18, 2020.

If you have questions pertaining to this treatment, please contact:

Name: Michael Behrmann, Superintendent

Phone: 231.526.4540

For further information pertaining to pesticides you can contact the National Pesticide Information Center at Oregon State University. The toll free number is 800-858-7378. The web site is www.npic.orst.edu.

For additional information pertaining to pesticide use, you can contact the Michigan Department of Agriculture (MDARD) at 800-292-3939. The MDARD's web site is www.michigan.gov/mdard.
